# مؤسسة صقور البحر للتجارة

مؤسسة صقور البحر التجارية هي شركة سعودية متخصصة في توريد مجموعة متكاملة من المنتجات الكهروميكانيكية، وأنظمة التكييف والتهوية، ومواد السباكة، والمواد الإنشائية، بما يلبي متطلبات المشاريع التجارية والسكنية والصناعية بمحظوظ أحجامها. تعتمد مؤسسة في أعمالها على اختيار منتجات معتمدة ومطابقة للمواصفات الفنية المعتمدة، بما يضمن التوافق مع متطلبات الاستشاريين والمعايير المعتمدة بها في المشاريع داخل المملكة.

وتوفر صقور البحر خدماتها بـإمكانات لوجستية فعالة وإدارة سلسلة توريد مرنّة، تتيح سرعة التوريد ودقة التنسيق بما يتماشى مع الجداول الزمنية للمشاريع. كما تقدم مؤسسة دعماً فنياً وتجارياً متكاملاً يركز على فهم احتياجات العملاء وتقديم الحلول المناسبة، بما يسهم في تحسين كفاءة التنفيذ وضمان استمرارية الأعمال بسلامة.

# SAQOOR AL BAHAR TRADING EST

Your Partner in Industrial Excellence

### ABOUT US

Saqoor Al Bahar Trading Est. is a leading supplier of premium Mechanical, HVAC, Electrical, and Plumbing (MEP) materials, serving the Kingdom of Saudi Arabia and the GCC region. We specialise in Black and Galvanised steel pipes (ERW & Seamless), pipe fittings, valves, and essential accessories for chiller plants, firefighting systems, and water, oil, and gas pipeline networks.

Established in 2015, we have earned a strong reputation for quality, reliability, and performance supporting critical infrastructure and construction projects across the Kingdom.

Our strategic leadership, deep market insight, and commitment to excellence have positioned the company as a trusted partner in the MEP and industrial supply sector.

### PRODUCTS & SOLUTIONS

- Black & Galvanized Steel Pipes (ERW & Seamless)
- Butt-Weld & Threaded Pipe Fittings
- All Types of Flanges: **(Slip-On), (Threaded), (Weld-neck), (Blind)**
- Industrial Valves
- Chiller Plant Accessories
- Firefighting System Materials
- Water, Oil & Gas Pipeline Accessories

### WHY SAQOOR AL BAHAR

- Direct partnerships with global OEMs
- Competitive pricing with no intermediaries
- Strong warehousing & inventory systems
- Reliable logistics & on-time delivery
- Technical support & consultative solutions

# OUR VISION

Advancing National Progress Through Industrial Excellence  
To be a nationally trusted leader in industrial and MEP solutions, contributing significantly to Saudi Vision 2030 by enabling sustainable infrastructure, strengthening local supply chains, and setting new benchmarks for quality, reliability, and innovation across the Kingdom.

# OUR MISSION

Empowering the Kingdom's Infrastructure with World-Class Solutions

To support the Kingdom's transformational development by delivering high-performance industrial and MEP materials through global partnerships, advanced logistics, and technical expertise. We are committed to local value creation, operational efficiency, and long-term collaboration, ensuring safe, timely, and sustainable outcomes for every project we serve.

# Building a Better Tomorrow

## A COMMITMENT TO UNCOMPROMISING EXCELLENCE

Saqoor Al Bahar Trading Est. ensures seamless and efficient procurement while meeting the highest international standards. Guided by highly accomplished engineers, managers, and commercial professionals. The company consistently delivers reliable, cost-effective, and high-performance solutions, upholding excellence, precision, and quality as the foundation of its leadership in the industry.

Saqoor Al Bahar Trading Est. is dedicated to fostering partnerships built on trust, integrity, and shared success, delivering a refined client experience through deep technical expertise and exceptional service at every stage of a project. Through continuous investment in advanced technologies, modern infrastructure, and globally certified products. We strive for excellence in every solution we deliver.

## INTRODUCTION

# NAVIGATING COMPLEXITY WITH EXPERTISE

### SAQOOR AL BAHAR TRADING EST

Understands the complexity, urgency, and pressure inherent in modern construction projects. While contractors remain focused on delivering excellence to the end user, Saqoor Al Bahar Trading Est. acts as a trusted partner, providing responsive service, clear technical guidance, and dependable solutions that simplify decision-making and keep projects progressing with confidence and control.

## GUIDING PRINCIPLES

- **Achieve Unmatched Operational Excellence:** Drive superior performance across all business divisions through best-in-class processes, cutting-edge technology and industry-leading standards.
- **Lead the MEP Industry:** Establish Saqoor Al Bahar as the foremost provider of comprehensive Mechanical, Electrical, and Plumbing solutions, setting benchmarks for quality, innovation, and reliability in the Kingdom and beyond.
- **Forge Strategic Partnerships:** Build enduring collaborations with top-tier contractors and stakeholders to enable transformative projects, mutual growth, and long-term value creation.
- **Deliver Seamless Project Execution:** Optimize procurement, logistics, and supply chain efficiency to guarantee timely, precise and flawless project delivery.
- **Empower and Inspire Our Workforce:** Cultivate a world-class work environment that nurtures talent, encourages innovation and rewards excellence at every level.

## A LEGACY OF LANDMARK PROJECTS

A testament to the quality, reliability, and performance of Saqoor Al Bahar Trading Est. is its expanding portfolio of satisfied clients and successful project engagements. We take pride in supplying materials to some of the Kingdom of Saudi Arabia's most iconic and large-scale developments—projects that demand uncompromising standards, technical precision, and dependable delivery.

### Selected Landmark Projects Include:

- *King Abdulaziz Endowment Project for the Two Holy Mosques*
- *King Abdulaziz International Airport*
- *King Abdulaziz City for Science and Technology*
- *King Abdullah Economic City*
- *King Abdullah Financial District*
- *King Fahd Medical City*
- *King Faisal Specialist Hospital*
- *King Khalid Hospital*
- *King Saud University Project*
- *Kingdom Tower*
- *Princess Nourah bint Abdulrahman University*
- *National Guard Hospital*
- *Granada Mall*
- *Nakheel Mall*
- *U Walk*
- *Riyadh Metro*

## STEEL PIPES SOLUTIONS

**Saqoor Al Bahar Trading Est.** offers a comprehensive portfolio of high-quality steel pipes engineered to meet the demanding requirements of fluid and fuel conveyance applications across multiple industries. Every stage of sourcing and supply is governed by stringent quality controls, ensuring full compliance with applicable international and local standards.

Each pipe range is supported by Saqoor Al Bahar's unwavering commitment to quality assurance, technical reliability, and responsive service delivering confidence and performance on every project.

### Available Materials:

- Black Steel
- Galvanized Steel
- Stainless Steel
- Cast Iron
- PVC

### Applicable Standards & Specifications:

- ASTM A53
- API 5L
- ASTM A106
- BS 1387
- SASO Standards
- Seamless & ERW
- Schedule 40
- Schedule 80
- BS Medium

# INTEGRATED PIPING SOLUTIONS

حدب الجذير  
Jazeera Steel

Each pipe range supplied by Saqoor Al Bahar Trading Est. is underpinned by an uncompromising dedication to quality, precision, and service excellence. Meticulous quality assurance protocols are enforced to ensure that every product is fully certified and delivered in strict adherence to applicable international and local standards.

Our extensive and carefully curated portfolio of pipes is engineered to serve a broad spectrum of industrial and MEP applications, offering seamless system integration, superior durability, and long-term performance. This commitment to technical integrity and reliability enables our clients to execute projects with confidence, efficiency, and assured compliance.

# HIGH-INTEGRITY PIPE FITTINGS

**Saqoor Al Bahar Trading Est.** maintains an extensive inventory of high-quality pipe fittings, welded and threaded, engineered to connect, redirect, and control piping systems with precision and reliability. Our comprehensive range serves diverse fluid conveyance applications across industrial, commercial, and infrastructure sectors.

Each fittings range supplied by Saqoor Al Bahar Trading Est. is supported by our stringent quality assurance processes and unwavering service commitment, ensuring full compliance with international standards and consistent performance in demanding project environments.

## Product Range

- Elbows (90°, 45°)
- Tees & Crosses
- Reducers
- Street Elbows
- Unions
- Couplings
- Nipples (Hex, Pipe)
- End Caps
- End Plugs & Bushings
- Threaded Outlets
- Forged Fittings
- Grooved Fittings

## Supplied in

- Forged Steel
- Grooved End
- Carbon Steel
- Galvanized Steel (GI)
- Black Malleable Iron (BMI)

## Configurations

- Threaded
- Butt-Weld
- Seamless
- Grooved

## Standard Compliance

- Class-150
- Class-300
- Class-3000
- NPT
- BSPT
- Sch-40
- Sch-80

## Approved Brands

- Gourd Brand (Ex-Hitachi Japan)
- Cougar (SA-Thailand)
- Benkan
- 100Tong (China)
- Both-Well (Taiwan)
- National (India)

# HIGH-INTEGRITY FLANGES

**Saqoor Al Bahar Trading Est.** supplies a comprehensive range of precision-engineered flanges designed to securely connect and support piping systems across diverse industrial and MEP applications. Our portfolio includes internationally approved, high-quality flanges tailored to meet the rigorous demands of the Gulf market.

### Material Options

- Carbon Steel
- Galvanized Steel
- Stainless Steel

### Configurations

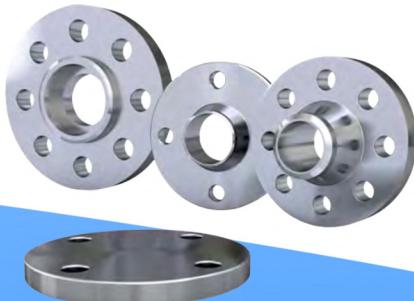

- Grooved
- Slip-On
- Threaded
- Weld Neck
- Blind

### Applicable Standards

- Sch-40
- Sch-80
- ANSI
- DIN (B.S) STD

### Approved Brands

- KOFCO
- National (India)
- 100Tong (China)
- BENKAN

# HIGH-INTEGRITY VALVES

**Saqoor Al Bahar Trading Est** provides a comprehensive range of high-performance valves engineered to regulate, direct, and control the flow of fluids, including gases and liquids across critical industrial, MEP, and infrastructure applications in Saudi Arabia and the GCC. Each valve is designed to deliver precision, reliability, and long-term operational efficiency.

Every valve range supplied by **Saqoor Al Bahar Trading Est.** is backed by rigorous quality assurance processes and adheres to international standards, ensuring superior performance under demanding conditions.

## Material Options

- Cast Iron
- Cast Steel
- Bronze

## Valve Types

- Gate Valves
- Globe Valves
- Check Valves
- Strainers
- Ball Valves
- Double Regulating Valve (DRV)

## Connection Types & Ratings

- Flanged
- Threaded
- Class 125, 150, 250, 300
- PN-16, PN-25

## Approved Brands

- Crane (UK)
- Mueller (USA)
- And other internationally recognized brands

## Applicable Standards

- ASTM
- ANSI
- DIN / BS / JIS

# HIGH-PERFORMANCE FLEXIBLE EXPANSION JOINTS

**Saqoor Al Bahar Trading Est.** offers high-performance flexible rubber joints engineered to absorb movement, vibration, and noise in piping systems, significantly extending the service life of pipelines and connected equipment. Each joint features a leak-proof internal lining made from synthetic or natural rubber, combined with a robust external rubber cover designed to protect the underlying reinforcement from external damage. The pressure-supporting reinforcement comprises high-strength rubber and metal, including wired or solid rings, ensuring durability under demanding operational conditions.

### Joint Types

- Single Sphere Connectors
- Twin Sphere Connectors
- Union Type

### Approved Brands

- ARMFLEX (Taiwan)

### Allowable Movements

- Axial Compression
- Axial Elongation
- Transverse Movement
- Angular Deflection

## PIPE SUPPORT SYSTEMS

**Saqoor Al Bahar Trading Est.** offers a comprehensive range of high-quality pipe supports and hangers engineered for the suspension of both insulated and non-insulated pipelines. Designed to provide vertical adjustability and enhanced system stability, these UL and FM listed solutions also feature optional UV-resistant rubber linings for effective noise reduction and vibration control. Every product within this range is backed by Saqoor Al Bahar's unwavering commitment to quality, reliability, and service excellence.

### Support Types

- Clevis Hanger
- Swivel Ring Hanger
- Split Ring Hanger
- Band Hanger
- U-Bolt

### Material Options

- Stainless Steel
- Carbon Steel
- Epoxy Coated
- PVC Coated
- Rubber Lined

# CORROSION PROTECTION TAPE

Denso Tape is a high-performance, cold-applied anti-corrosion solution engineered to deliver long-term protection across a wide range of operating conditions. The tape remains permanently intact over a broad temperature range, ensuring flexibility without hardening or cracking. It offers exceptional resistance to mineral acids, alkalis, salts, and micro-organisms, while providing an effective barrier against water, water vapors, and gases.

Denso Tape is widely used to protect underground, underwater, buried, and exposed pipelines, as well as rods, metal surfaces, cables, valves, and metal fittings, ensuring extended equipment life and reduced maintenance requirements.

### Available Sizes

- 50 mm
- 75 mm
- 100 mm
- 150 mm

## FASTENING SOLUTIONS

**Saqoor Al Bahar Trading Est.** supplies a comprehensive range of high-performance fastening solutions engineered to create secure, non-permanent joints across industrial, commercial, and infrastructure applications. Careful consideration is given to critical performance factors such as thread precision, load capacity, stiffness, and installation requirements to ensure reliability under demanding conditions.

Our extensive inventory includes a wide selection of screws, bolts, nuts, rivets, studs, and threaded rods in varying lengths—designed to accommodate diverse project specifications while ensuring strength, durability, and ease of installation.

# INSTRUMENTATION & SEALING SOLUTIONS

Our portfolio includes industry-grade pressure gauges, thermometers, and measurement instruments available in multiple configurations to meet the requirements of varied control and monitoring systems. Firefighting sprinklers form an integral part of our MEP offering, supporting safety-critical installations across commercial and industrial environments.

In addition, we stock high-quality sealing and insulation materials, including fiberglass insulation products, industrial-grade sealants, PTFE (Teflon) tapes, and jute for threaded GI pipe applications ensuring system integrity, efficiency, and longevity.
